The Egyptian Natural Gas Holding Company (EGAS) invites Petroleum Exploration Companies for the 2013 INTERNATIONAL BID ROUND to explore/exploit for Gas and Crude Oil in Egypt.

This Bid Round includes (7) Exploration blocks in the Mediterranean Sea & Nile Delta basins of Egypt as shown in the attached map.

Interested companies shall submit their offer(s) based on the Procedures, Main Terms and Conditions and the Production Sharing Model Agreement. Any offer(s) with new terms or conditions, other than the Terms and Conditions mentioned herein, shall be disregarded.

Starting, on Monday 30th, December 2013; interested companies are welcomed to contact EGAS to review and/or purchase Principal Data Package (2D seismic and well data), well reports and 3D seismic data for certain block(s). Such Data will be reviewed and purchased according to the determined price list shown in the following table. The Data is available in digital format.
